

High Voltage Line By School Alarms Council

Settlement of the case between the City of Campbell and the Central Fire District involving apportionment of funds allegedly due the city following incorporation seems nearer today, according to a report made Monday evening by Joseph Bonacina at the city council meeting. The city had filed mandamus proceedings against the district and the County Board of Supervisors in a Superior Court action, but Bonacina indicated a satisfactory settlement now seems possible in keeping with what the principals deem fair.

He explained that some \$5051.52 is the apportionment of assets including fire engine and taxes post-collected by the county, however the county indicates \$3,371 differential because of relationship of city and county, and indicating \$2181.16 plus the award of one of the district's nine engines might be possible. Bonacina said the district has three engines purchased in June, 1947, two in 1948, one in March 1949, and June 1950. The proposal was referred to Bonacina and to Mayor Richard Morton for further appraisal of the offer.

Council also heard a report from Mayor Morton that the Pacific Gas and Electric Company contemplates erecting a high voltage substation near Los Gatos Creek north of the Hamilton-San Jose-Los Gatos road intersection and that lines might be projected from towers on an 80 foot easement leading from Leigh avenue and passing within 400 feet of the Dover school, over Hamilton avenue and south of Keesling property. There was a proposal that lines be buried but a company representative said this would cost a tremendous sum, emphasizing that the growth of the area surrounding Campbell makes it imperative that a 220,000 volt station be set up. He indicated the power might be generated from the Moss Landing substation.

Council directed the city attorney to submit an amendment to the licensing ordinance so that a veterinarian fee would be \$25 in keeping with other professional services, but that if an extra doctor is engaged so that a cat and dog hospital is operated that the fee become \$50. City Clerk Dorothy Treveltham was instructed to collect penalties on unpaid business licenses.

A tentative approval was given by the council to final maps of Westchester Park subdivision of some 20 acres between West Rincon and Bucknall, west from Virginia avenue on which there are 87 building lots. The map shows Wren street, Ricky Drive, Beverly Court as new streets and Christopher avenue extending through to Rincon. Leo Ruth, subdivision engineer said sewer and storm drainage bonds have not yet arrived, so approval was made pending their recordation.

Council did not approve proposal of Orchard City Grange that a crosswalk by the Blue Bell Cafe be set up again, the contention being that cities everywhere are doing away with mid-block crossings because of being dangerous to pedestrians.

City Clerk Dorothy Treveltham was authorized to advertise for bids for a new police patrol car, which was requested by the Police Department last fall.

Police Chief Robert J. Locke asked councilmen to remove "no parking" signs from the west of Winchester road near Campbell avenue since trees which resulted in the signs' installation since have been removed. Council directed City Atty. Joseph Bonacina to proceed with paper work calling for their removal.

In other business, the council: 1. Instructed Joseph Giannini, owner of property on San Jose Los Gatos road, to give more detail on his plans to remove gravel from Los Gatos Creek and place it near retaining wall on his land. Also that he post his property for No-trespassing to halt the unlawful burning there of rubbish.

2. Acknowledge a request from LeRoy Black, superintendent of public works, for a full-time assistant and directed Black to present additional plans for future city improvement.

3. Authorized filing of a warrant of \$28,487.90 in taxes collected during the 1954-55 fiscal year.

4. Adopted a resolution withdrawing the Baroni-Payne annexation lands from the Central Fire District.

Season Rainfall Now Nine Inches

Clear skies prevailed all day yesterday but the rain gauge at the Water company office on Campbell avenue had registered an even nine inches for the season as compared with 5.71 inches at this time a year ago. Normal for this time of the year is 8.30 inches according to Ralph Hyde.

OLD SETTLER DAY DATES CHANGED

Dr. Robert Jasmine, the general chairman of the Old Settlers' Day committee, called a meeting last night and changed the date set last week for the annual celebration, May 6-7-8, to April 29-30 and May 1. The previously chosen date was found to be in conflict with school music festivals.

Sam Cava, president of the Campbell Chamber of Commerce, reported to the committee that he had contacted all churches in the Campbell area and all had given a favorable answer regarding a proposed Sunday parade with the exception of one, the Methodist, who had no objection to Sunday, but asked that some date other than May 1 be considered since that is to be Loyalty Day at their church. After discussing a number of dates, the committee decided the April 29, 30 and May 1 date to be the one offering the least conflict and competition with other festivals and surrounding civic affairs.

Dr. Jasmine told the committee there were three essential considerations to bear in mind while planning this celebration and they were: to honor the Old Settlers; show the people a good time; and, support the Chamber of Commerce in its endeavors.

The Chamber of Commerce has agreed to take charge of the dinner and all foods to be served under the direction of a Hospitality committee headed by Ambrosio Mirassou.

Date for choosing a Queen and her court has been set as April 2. Dr. Howard Manson and George Beaudikoff, contest chairmen, will meet with their committee on Friday. At present plans call for a crowning of the Queen and Coronation Dance Friday, April 29.

Also under consideration is a variety show using local talent and directed by Ebb Bohn.

Ed Tonin, Music chairman, reported he now has parade registration slips ready.

QUITO PARK TO ORGANIZE OWN KIWANIS CLUB

An organizational meeting of a new Kiwanis Club of Quito Park will be held Tuesday, February 8, at 7:30 p. m. at the Quito School at which time field representative of Kiwanis International, Darwin Smith, will be on hand for the purpose of conducting the organization. Sponsors of the new club are the Los Gatos and Campbell Kiwanis.

The letter was sent by Oliver Upton, a representative of the Los Gatos Kiwanis Club who is to be one of the charter members.

The 20-man Los Altos Business and Property Owners Committee will meet at noon today to plan a parking district, according to Allan Cranston, chairman.

GALA OPENING SET FOR AUTO LOT SATURDAY

Bob Coyle's Chevrolet, Santa Clara County's largest Chevrolet dealer, comes to Campbell with a new used car and truck lot at 75 South Winchester Road. The lot will be stocked with about 50 cars and trucks, with a monthly volume up to 150 units, according to Jerry Ginney, manager.

The new manager is a graduate of the University of Santa Clara where he was an outstanding football player and student. Ginney helped the University win two Sugar Bowl titles in the middle thirties. He has been associated with the Bob Coyle Chevrolet firm in San Jose prior to becoming manager of the Campbell lot.

"I am enthusiastic about bringing a branch of Bob Coyle's Chevrolet to my neighborhood," Ginney, who lives in the Campbell area, stated. "We appreciate the marvelous cooperation we've received from Campbell folks: McKinley & Young Electric, Curtis M. Langford Paving, Curry Plumbing, J. M. Dahl Real Estate, and others. We can promise you outstanding

values in really good transportation and the best service organization this side of San Francisco to stand behind every unit we sell."

Referring to Bob Coyle Chevrolet's service organization, Ginney pointed to the fact that this was the largest service department between San Francisco and Los Angeles. It has won recognition for its reconditioning work that has played an important part in making Chevrolet's OK guaranteed cars and trucks capable of enjoying new car warranty in service.

"We are going to bring the Campbell area a wide selection of units," Ginney added. "We will have all makes of cars and trucks in a complete range of prices. Every unit will be gone over with a 'fine tooth comb' before it goes on our lot," Ginney emphasized. "We will have nearly new cars and trucks as well as 1946's, etc."

A huge celebration will accompany the opening of the Bob Coyle Chevrolet used car lot, Saturday and Sunday, with radio, screen, TV, M. Dahl Real Estate, and others. Stage personalities being brought to the 75 South Winchester

HERE ARE SOME OF the 300 fathers and sons at Rosemary School last Thursday night when Billy Wilson, 48er football great and long time resident of Campbell, was present to show Pro-game films of the 1953 season, to answer all sorts of questions and to autograph cards for a lineup of boys lasting forty minutes. The program was arranged by Rosemary Home and School Club with Ken Morton as ways and means chairman.

Billy Wilson Day In Campbell February 26

CAMPBELL, Feb. 3—Billy Wilson Day is to be observed in Campbell on February 26 with a show in the High School auditorium featuring the premiere showing of the 1954 season San Francisco 49er games and the pro bowl game recently played at Los Angeles in which Wilson, a home town boy, was voted the outstanding player. The program is being sponsored by the Campbell Auxiliary Police to benefit the youth recreation fund with Tom Casey and Nick Di Muzio as co-chairmen.

BURGLARS ENTER CAMBRIAN PLAZA

Burglars, seemingly intent on getting money, smashed doors at three shops in the Cambrian Park Plaza and two more on the Los Gatos-San Jose Road early Tuesday, doing considerable damage but getting away with little loot, according to a report from the Sheriff's office.

The glass in one of the double doors at the Swiss Chalet Cafe Shop was broken in an attempt to unlock the door and gain admittance but this failed as the doors had been locked with an inside key.

The Cambrian Park Variety Store, 14313 Union Avenue reported a loss of \$25.95 in change, a board holding six wrist watches and a check book. Entrance was gained by breaking the lock on the rear door. They got in through the skylight into the kitchen at the Wagon Wheel Cafe but after looking around found but a few cents in the register.

They broke into the El Gato Rental and Supply Co. at 14783 San Jose-Los Gatos Road by shattering a glass pane in one of the doors, then bent an iron bar in order to open the door but found no cash about.

At the Blossom Hill Pharmacy they shattered to bits a half-inch plate glass in a door then ransacked drawers for money but found none.

New Ventures On Old Roads Is Topic

The regular meeting of the Women's Christian Service group is to be Thursday, February 10, at the Methodist Church with Mrs. George Green in charge and Mrs. Guy Farley doing the devotions.

Topic for the day is to be "New Ventures on Old Roads". Members of Circle 7 are to serve the lunch.

Wilson who resides with his wife and their small son on Rob-way avenue was graduated from the Cambrian Grammar School and the Campbell High School. Business men are to present them with some gifts. Present besides Mr. and Mrs. Wilson will also be Joe Perry, Bob St. Clair, John Henry Johnson, Gordy Soltan, Y. A. Tittle who also are members of the 49er team, Phil Bengston their line coach, Bob Fouts the T. V. sports announcer and Frankie Albert the radio announcer and former football great at Stanford University and 49ers.

Sam Cava well known band leader is to direct a 12-piece Symphonic band in college songs appropriate to each player as introduced. A scroll in tribute to Billy Wilson, former Campbell High School and San Jose State College star and now rated as one of the nation's foremost players, will carry hundreds of local names.

Wilson said at a fathers-and-son banquet in the Rosemary School last Thursday evening that he had declined an offer to play football in Canada at an increase in pay, because he had lived around Campbell most of his life and he knew of no better place to live and to raise his family.

SPARKING CAUSES FIRE SCARE

A frightened woman, Mrs. Hugh Nelson of 131 Dillon Avenue, put in a frantic call to firemen Tuesday at 1:44 p. m. to say her house was on fire. Upon arrival firemen found a small piece of metal roofing material had blown against wires leading into the house and caused them to spark. Firemen checked the house thoroughly for defects before leaving.

The call was answered by 14 firemen and two trucks.

NEW SEWAGE TRUNK LINE PLANNED TO SERVE AREA

Stephen Goodman, manager of Sanitation District No. 4 in a talk Monday before the Campbell Rotary club outlined sanitary sewerage facilities for the Campbell area in the past, present and future.

HANCIE NAYLOR TO TEACH IN EL SALVADOR

Miss Hancie Naylor who, for 33 years was a teacher at the Campbell Union Grammar School, is awaiting visa papers today preparatory to flying to El Salvador where she is to join the staff of a bi-lingual school headed by Paul Becker who also was with the teaching staff in Campbell prior to World War II and was for a short time the acting principal.

Miss Naylor retired in 1953 and has resided with her sister, Mrs. Jessie Boyrie on Alice Street. Recently they returned from a motor-car trip to Arizona in which they were accompanied by Mrs. Dorothy Royce, principal at Campbell Grammar School.

Hancie Naylor was winner of the Campbell Press circulation club contest which ended thirteen months ago in which she was given an all-expense trip to Honolulu.

Building Permits Heavy This Week

A permit was issued N. Watson to build a four-unit apartment house costing \$19,000 on Kuehnis Drive by the building inspector of this week. Also to C. W. Elkins for a \$9000 home on Juanita Way, and to Gar Homes Inc. for 19 homes on Adair Drive and Elester Drive in Campbell costing \$171,000.

Sam Nazzurco was issued a permit to build a \$14,000 home on West Campbell avenue.

NEW SEWAGE TRUNK LINE PLANNED TO SERVE AREA

Stephen Goodman, manager of Sanitation District No. 4 in a talk Monday before the Campbell Rotary club outlined sanitary sewerage facilities for the Campbell area in the past, present and future.

He said the Campbell Sanitary district was formed in 1938 as the result of progressive work of Dr. Walter Merrill. First directors

were Merrill, DeSelle, Grattan, Leverton and Trowbridge and with Hyde, Lanphear and Stray joining later.

Function was to plan sewer system with a San Jose agreement and through WPA free labor, to cost \$95,000 in 19 year bonds. Campbell Water Company maintained lines and San Jose was paid rentals.

In 1948 District 4 was formed to include Campbell Sanitary district. Campbell became a city March 28, 1952 so in January 1953 the Sanitary district was dissolved.

The city assumed a split jurisdiction over sewers in the city, then entered an agreement with District 4 for maintenance and administration of sewage disposal, so trunk lines were installed at a cost of \$1,250,000, collection sewers were installed by subdivider. A tax rate of \$.064 for bonds and \$.047 for operation was set up for 1954-55 and sewer service charges set up in district and city.

For future consideration Goodman told of the proposed San Jose Sewage Disposal plant for which bids are to be opened on February 14. There is proposed a west side trunk line with an agreement by City of Santa Clara, its cost, rental use by City of San Jose annexation contributions.

He then outlined some of the problems created by San Jose annexations among which were isolation from trunk sewers, planning difficulties and double taxation. He indicated that San Jose too should form its own sanitation district and proposed that legislature be enacted consolidating sewage districts.

With twenty-one years service with submarines, Admiral Lockwood was in command of 4000 officers and 46,000 enlisted men. He paid high tribute to the young men who gave everything for their country, saying that so long as our nation holds its democratic principles as set up in the constitution that we will always have boys ready to respond to national emergencies.

Present at the meeting also were Lt. Com. John S. Peppersack of Sunnyvale, Hale Larkey of San Jose, Fred Bradner of San Marino, Rev. Constant Johnson of Willow Glen, Rev. Tom Simpson of Willow Glen, Dudley Darnell of San Jose, Dr. Bocci, Roy Anderson and Everett Clark of Willow Glen. Guest of the club from the High School was Carol Lee Chamberlain, student manager.

Camp Fire Girls Candy Sale On

Camp Fire Girls of the Campbell district are now holding their annual candy sale. The sale started January 23 and will continue through February 12th. Proceeds from the sale will go toward camperships to Camp Wastahl, upkeep of the camp, and under a new plan, part of it is to go into the treasuries of the girls' Camp Fire Groups.

The bonds are to be re-offered on a one to 2.7 basis maturing in 1980. On the coupon spread the interest rate is 4 1/4 % 1956 to 1960;

Campbell PTA Parents Told Authority Is Theirs In Home

At a Founders Day program Tuesday afternoon in the school auditorium, the Campbell Grammar School PTA paid tribute to its past presidents, and its life members. Featured speaker was M. J. Menard, District Attorney who spoke on what parents can do to help the District Attorney.

"Parents must be the boss in the home and allow no question to be asked regarding this authority," Menard said in reminding that parents are the lawfully constituted authority in obedience enforcement. He pointed out that children should learn obedience early. Citizens should report all crimes at once, and they should consider it a duty to be a juror.

The meeting opened with the flag salute led by George Gredas-off, a boy scout, Nancy Arnold, a girl scout and Joan Davis, a Camp-fire girl.

Past presidents honored by the PTA were Mesdames Edna Smith, Clara Beebe Baldwin, Frank Blair, Ray Wood, Leonard Merritt, Richard O'Flynn, and Richard Morton. Life members honored were Mrs. J. B. Collins, Mrs. Dorothy Royce, Mrs. Royal Page and William Henley. Also honored were Mrs. C. P. Klassen and Mrs. Lloyd Brown who are past presidents and who hold life memberships.

Mrs. Royce, as chairman, explained that life membership funds are used to set up scholarships, fellowships and special in-training studies. She presented the 1954-55 service pin to Mrs. Francis Cousins.

Mrs. Albert Bariteau, program chairman introduced the speaker, Mr. Menard. Hostesses were 7th grade room mothers assisted by their daughters, who set up a mother-and-daughter tea with Mrs. Richard Max as chairman. A string quartet, directed by Ed Tonini provided musical selections, and valentine decor was in the background.

Kiwanis Club Sets Dates For Coming Events

Campbell Kiwanis Club at a meeting Tuesday made plans for a joint meeting February 22 with the Cambrian Club, a joint meeting with the Kingsburg Club in Fresno County there on April 19 and the annual Kiwanis Capers program on May 13, then settled down to hear a talk on submarine warfare by Admiral Robt. Lockwood (ret.) of Saratoga.

With twenty-one years service with submarines, Admiral Lockwood was in command of 4000 officers and 46,000 enlisted men. He paid high tribute to the young men who gave everything for their country, saying that so long as our nation holds its democratic principles as set up in the constitution that we will always have boys ready to respond to national emergencies.

FIFTY YEARS IN CAMPBELL

Just fifty years ago today, incorporation papers were issued at Sacramento to the Country Women's Club of Campbell. Next Monday there is to be an observance at the clubhouse in which there will be a re-issue of these incorporation papers.

Fortunately the president of the club when it was founded in 1905 is to be honored and no doubt there will be tributes paid for her far-sighted wisdom in setting up its objectives.

It seems that the club has in a great measure lived up to these ideals and has made Campbell a better place in which to live.

The Campbell Country Women of 1905 set out to increase kindly fellowship, to encourage high thought and free speech, to foster worthy talent and aid in the growth of the Campbell free library. There are 125 members in the club today. The city library and auditorium stand institutionally as the result of cooperative work by the club.

Congratulations for the first fifty years, gentle Country Women! Your work and intuition is worthy of your ideals. May the next fifty years be as successful and rewarding toward public welfare, as have those of the first half century.

CAMPBELL AND THE BOY SCOUTS

Youth in Campbell is closely associated with the Boy Scout movement today as it has been for many years past. It was here that the first Cub Den in America was founded and from here Cub pack have spread throughout the nation. Cubs on reaching the required age advance to become Boy Scouts.

Next week, February 5 to 12, is to be Boy Scout Week and the 1955 theme is to be "Building for a Better Tomorrow." That is what the 20 million or more boys and men in America have been doing since the start of the movement back in 1910.

Too much emphasis cannot be placed on the need for adult leadership. This a sacrifice of time to be true, but it gives a satisfaction to build better citizens—a sort of pleasure which has no equal.

In extending best wishes for the continued success of the Boy Scout movement in the years ahead, let us also feel a justifiable pride in the fact that it was here in Campbell that the Cub Pack movement was begun and from which has sprung 32,000 Cub Packs in America today with 1,160,000 Cub scouts actively enrolled. Rev. Joseph Bennett, arriving in 1926, started the pack here, patterned after the setup he was familiar with in England.

MUTINY ON OUR BOUNTY

Ever since the United States assumed the role of Lend Lease Lady Bountiful in 1940, we have been learning the embarrassing and expensive truth that you can't buy love and affection.

The total of our giveaways to so-called needy Nations and to prospective allies now stands at more than \$110 billion. For that amount of money we could declare a National dividend of \$2,100 for every family of three. We could, that is, if self-respecting Americans would stand for it, which they wouldn't.

What is the result of our attempt to buy our way into world leadership and to purchase peace and prosperity for the "good" nations? India, a substantial beneficiary, spearheads every Communist diplomatic attack on us. Frenchmen, whose borders our airmen are protecting, dislike us. The British, ever willing to take the money, are anything but bosom pals. Have-not nations such as Yugoslavia pass on our handouts to other have-notters, in return for fat concessions.

Yet budget after budget, Democratic or Republican, the giveaway continues. The nations of the world can profit more from a strong and financially sound America than from our accepted, but hated bounty. It is about time the United States balances its budget instead of budgeting the balance of the world.

JUNIPERO SERRA ROUTE TERMINAL

Senator Jack Thompson has introduced a bill in the legislature seeking that the Junipero Serra Boulevard be placed under state highway jurisdiction instead of under joint highway districting in which three counties and the state participate. The bill defines the route from San Bruno to Skyline to Woodside and dropping down back of Stanford to connect with 101 near San Jose.

The bill had been screened by planning engineers Frank Skillman of San Mateo County and Karl Belser of Santa Clara County. It is a move toward completing the Junipero Serra Boulevard and had originally intended coming in by Los Altos and swerve in to about where Prospect avenue, a continuation of West Campbell avenue, intersects the Saratoga-Sunnyvale highway. This would make a scenic and practical approach to the Santa Clara Valley and to Santa Cruz. We hope that this proposed terminal has not been changed.

JULES VERNE OVERTAKEN

One of the greatest events in modern history took place a few weeks ago when the 'Nautilus,' the atomic powered submarine, set out under its own power for tests in Long Island Sound. Yet, in this day of miracle on miracle, the story was hardly more than "just another one" in the news of the day.

But, however indifferent the reaction of the public to the atomic sub, the fact is that the dream of the

And the construction of a submarine driven by the atom means that is but a matter of time until larger vessels and, conceivably, airplanes and surface vessels will be so powered. Just what lies ahead for us in the light of atomic developments can only be guessed, but the future moved right in the present when the Nautilus sailed out on its own.

BUCS AND EAGLES TO TANGLE TOMORROW AT MOUNTAIN VIEW

by Bob Olson

The Campbell Varsity basketball team, now tied for first place by a rampaging Santa Clara squad, returns to its title chase at Mountain View tomorrow night, after defeating Live Oak in a non-conference game last weekend.

In the Eagles, Campbell will meet a tall, highscoring five led by two sensational sophomore forwards, and a veteran center who knows how to play the backboards. Mountain View walloped Los Gatos 66-46 at Helms Gymnasium last weekend, one of the Eagle forwards, Steve Flynn, scoring 24 points while his young running mate Dan Ortiz, potted 20 more. Coach Dude Angius of Mountain View was worried about his sophomores inexperience at the start of the season—but now they have it, even though it came as a result of an expensive loss to Santa Clara.

THIS WEEK'S BIG GAMES	
CAMPBELL at Mt. View	
Los Gatos at Lick	
Santa Clara at Washington

SCVAL VARSITY STANDINGS	
CAMPBELL	2 0
Santa Clara	2 0
Mt. View	2 1
Fremont	2 1
James Lick	1 2
Los Gatos	0 2
Washington	0 3

Angius has three seniors to stabilize his sophs in veteran center Jim Derrickson and guards Al Mangini and Gary Edwards.

Many picked the Eagles to win them all at the start of the season when they were undefeated in all their exhibition contests. Mountain View won fairly, easily, even while juggling its squad in warmup games, taking Burlingame, San Jose Tech, Palo Alto, Carmont, Live Oak, and the Menlo School for boys before running into the Santa Clara Panthers in their second conference game. The Panthers, who look tougher each week, beat Mt. View, 53-39, by holding down the high scorers, and by feeding their own center, Bob Lister.

In another SCVAL contest tomorrow night, Santa Clara is almost certain to defeat Washington at Centerville. Santa Clara outlasted the Comets, thanks to masterful backboard work by their 5'3" center, Ron Stevenson last Friday.

Lick seems likely to defeat Los Gatos in a third contest, but this might turn out to be quite a battle since both squads specialize in fast-break, racehorse type basketball.

Buc Lightweights Have Title Hopes

If SCVAL standings reflect Campbell High basketball hopes for the future, the local school will have a competent varsity next year too. Coach Bert Robinson trains players with the same basic systems.

SCVAL LIGHTWEIGHT STANDINGS	
	W L
Mountain View	3 0
Campbell	2 0
James Lick	2 1
Santa Clara	1 1
Fremont	1 2
Los Gatos	0 2
Washington	0 3

Robinson's 10's have already won one 1954-55 hoop championship for CUHS—and, so far this season, his thirties have been as consistently victorious as his Varsity Five. The Buc lightweights, led by scrappy forward Dwight Klassen and guard John Bogonyi, meet another unbeaten squad tomorrow night at Mountain View.

The junior Bucs realize that they have to whip the Eagles if they want the lightweight title. Last Friday night, Mountain View's Thirties won 48-40 from Los Gatos thanks to twenty more points by their Escobar twins, John and Frank. These brothers are both outstanding Mountain View lightweight forwards, on a Thirties squad famous for its speed and hustle.

Dried Fruit Weeks from March 18 to April 2 are the dates for the 1955 Dried Fruit Weeks promotion. Cooperating in the campaign are the California Raisin Advisory Board, the Dried Fruit Association of California, the California Prune Advisory Board, the Dried Fig Advisory Board, the California Walnut Growers Association, and individual packers and growers.

For the Bucs, Roger Almqvist has been improving in every outing, and a pleasant surprise has been the determination of three fleet freshmen, Greg Rocha, Paul Uyeda, and Larry Weber.

our 60,000 customers if we had to rely on shoe leather, bicycles or horses, as in the old days.

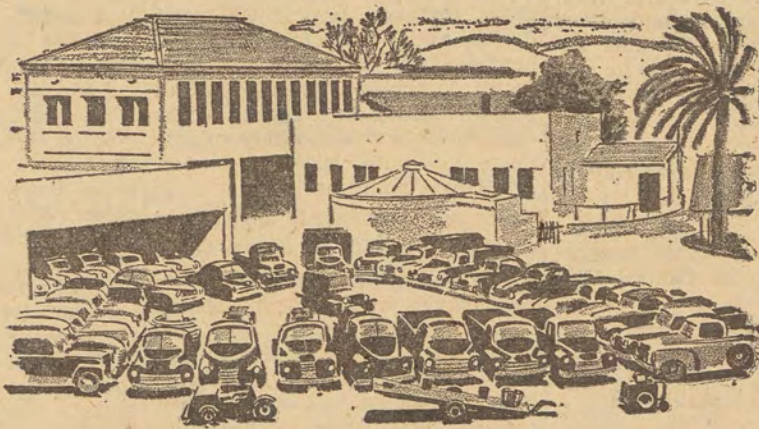

Although we transport water to our consumers in the San Jose area through miles of underground pipe, nevertheless, our waterworks system functions in large measure on wheels.

We would have a terrible time providing speedy and efficient service to our 60,000 customers if we had to rely on shoe leather, bicycles or horses, as in the old days.

In order to cover our 100 square miles of service area effectively and economically, we maintain a fleet of 54 pieces of rolling equipment — service cars, service trucks, engineering department vehicles and repair trucks.

All of this equipment is ready to go any hour of the day or night. Twenty-six of these vehicles are equipped with radio telephone, linked to our two land broadcasting stations, thus saving miles, hours and money.

Joe Slide-Rule, our figure man, estimates that this vast service and repair fleet travels more than 510,000 miles a year—more than 20 complete trips around the world, and that tremendous travel mileage is just another important element in "what it takes to supply your home with water."

George Murphy To Talk At Lincoln Day Dinner

Republicans of Santa Clara County are to hold a Lincoln Day at Hawaiian Gardens Thursday evening, February 24. Howard Lillingston and Mrs. H. H. Combs are handling ticket sales in this area.

Speaker will be George Murphy, former motion picture star and ex-chairman of the Republican State Central Committee.

Plans for the dinner were formulated at a meeting of the County Central Committee and representatives from volunteer Republican organizations last night.

Co-chairmen of the dinner are George Milas Jr. of Gilroy and Lee Rodgers, Palo Alto attorney. They expect more than 500 to attend.

Young Republicans at the meeting announced a four-man delegation from Santa Clara County will attempt to land the organization's 1956 convention for San Jose. The 1955 confab is being held Friday, Saturday and Sunday in San Diego.

The four are Tom Gray of San Jose, Kay Daley, Los Altos, Claire Bergman, Palo Alto, and Robert Davis, Palo Alto.

Service Club Rummage Sale

The Women's Service Club of Campbell will hold a rummage sale, at 124 N. Market on Saturday, February 5, between the hours of 9:00 a. m. and 5:00 p. m. Mrs. Rudy Golden is chairman of the affair. The rummage depot is at the home of Mrs. Earl Buck at 237 Carlyn Avenue.

Adventure Film On Sunday Forum

Colonel John D. Craig appears Sunday, February 6 on the program of the Sunday Evening Community Forum, a non-sectarian project, being held at the First Methodist Church, 5th and Santa Clara Streets, San Jose which is open to the public without charge.

Craig as leader of a crew of adventure movie technicians, makes the perilous thrill and foreign location shots for the great photoplays. His "movie stars" are savage tribesmen, jungle manateers and ruthless killers of the ocean depths. He has shot films in 47 countries, across five continents and under four oceans.

Next Sunday, through pictures, including the most recently released by the Atomic Energy Commission of the Entenok Bomb Tests, Craig paints a picture of a world of unbelievable ease, comfort and spiritual hope in the atomic age.

"Man", says Col. Craig, "is at the crossroads of destiny. He has two roads to follow, one toward destruction, the other towards Utopia."

Through film in color, Col. Craig shows the creation of land, the formation of island atolls, the charm and ease and simplicity of Polynesian life on South Pacific islands, the spectacle of natural phenomena in sea and volcano, and erosion, and man's interpretation of these in his ceaseless quest for understanding and utility.

CAMDEN ELECTS COUNCIL

The graduating class of 1958, Camden High School, has elected their student council. This council will run the government of the new school. Mrs. R. Raffanti Honored With Stork Shower

Mrs. Robert Raffanti was honored at a combination dinner party and baby shower given her last Friday evening, January 28, at the Villa Felice. Hostesses for the affair were Mesdames Anthony Raffanti, Frank Joseph, Joe Walden and Pete Spragia.

Decor on a huge table seating forty persons was carried out with maidenhair ferns as a background for bronze and white chrysanthemums. Centerpiece was a large cake inscribed with names "Derek" and "Bobi?" with place of honor marked by a miniature cradle and doll. A large stork surveyed the scene from a side table heaped with gifts.

Those attending the party from Campbell were Mesdames Bob Loveday, Doug Goodwin, Frank De Rose, Frank Accardi, Paul Borg, Jimmy Gannon, Charlie Shaw, Ugo Orsi, Orin Accardi, Bob McBain, Tony Cefalu, Tommy Waggle, Manuel Silva, George Wilson, Marie Subdon, Kenny Richards and Miss Mary Ann De Rose.

From San Francisco, Mesdames Adolph Carrara, Angelo Rugani, Clarence Rugani, Peter Rugani, Angelo Carrara, Larry Brunetti, Larry Salardi, Don Pieri, Melvin Russi, Vince Rigoni, Louie Carrara, Henry Ratt; and the Misses Lois Rugani, Donna Rugani, Jackie Brunetti.

From San Leandro, Mesdames Joe Dinizio, Jerry Lyons, Mickey Gamozo, Joe Holmes, Louis Joseph, and John Silva. From Aromas, Mesdames Kenny Sutton and son Carlos, and Ed Jacobson. From Watsonville, Miss Margaret Hansen.

Celebrates 26th Anniversary

The 26th anniversary of the Campbell Women's Service Club was celebrated at the January 26 meeting held at the home of Mrs. J. M. Dahl on Beaumont Heights in Saratoga. Orchid corsages were presented to Mrs. E. R. Kennedy and Miss Winnie Grizzle, charter members of the club. As part of the birthday celebration a program of music was presented by two students from Campbell High School; Miss Alma Farmer sang several solos and was accompanied at the piano by Steven Jansen who also played a piano solo.

During the past twenty-six years the Service club has done much community service work in Campbell and has made it possible for many children to go to camp.

Co-hostesses with Mrs. Dahl were Mrs. Ray Davis and Mrs. Lawrence Quinsland. Refreshments included a decorated birthday cake.

Tandem Club Valentine Dance

The Tandem Club of the Methodist Church will hold a Valentine dance and dessert box social Friday, Feb. 11, at 8:00 P. M. in the Country Women's Club, Campbell Library. The ladies will decorate the boxes filled with dessert which will be auctioned off during the evening. All members of the Tandem Club and their couple friends are invited. There will be both social and folk dancing during the evening. The Club is also sponsoring a bake goods sale at Maderis Market, Sat., Feb. 5.

Campbell Bucs Beat Santa Cruz

Campbell Bucs were sharp Tuesday in a non-league game here defeating the Santa Cruz Cardinals 47 to 42 as Phil Arman chalked up 14 and Tony Schraub 11 for Campbell. Parr scored 14 and Datson 10 for Santa Cruz.

The Buccaneer lightweights made it a clean sweep with a 39-23 triumph. Greg Rocha and Roger Alquist scored eight points each for Campbell, and shared high honors with Santa Cruz' Brown, who also had eight.

Newlyweds Make Campbell Their Home

The Church of Christ was the setting for the recent ceremony which united Dorothy Widener and Albert Little in marriage. The Reverend Clifford Winters performed the rites.

For her wedding, Dorothy chose a champagne pink satin tulle and imported Chantilly lace gown with

buffant skirt, and wore a coronet trimmed with iridescent pearls from which depended her finger tip veil. White orchids, carnations and lilies of the valley marked the white Bible she carried.

Matron of honor, preceding the bride and her father to the altar, was Mrs. Louis Stivers who wore a gown of deep rose and carried a bouquet of pink roses. In similar gowns and carrying ice pink flowers were the bridesmaids, Mrs. Ernest Owen, and the Misses Jean Little and Barbara Winters. Larry McCommas served as best man and James Eudaley, Homer Widener Jr. and Floyd Little acted as ushers. Following the ceremony a reception was held at the Campbell Country Women's Clubhouse.

The bride is the daughter of Mr. and Mrs. Homer W. Widener of San Jose, attended San Jose High School and Sullivan Beauty College and is past president of Sigma Beta Chi Society. The bridegroom attended Abilene, Texas, Christian College and is now employed at Ferguson's Drafting Service.

The young couple are now making their home in Campbell.

Rev., Mrs. Olds Honored By Congregationals

Approximately two hundred members and friends of the Congregational Church gave a surprise testimonial dinner last Sunday evening to honor Reverend and Mrs. Corwin Olds for their generous unselfish help and inspiration. As a token of their regard, church members presented the Olds with a check with instructions that it was to be used for furthering their hobby of photography, and not for purchasing articles for the church.

For the occasion tables were decorated with trailing vines and early spring flowers. A large cake, complete with a small church and steeple, served as centerpiece. Musical entertainment was furnished by the junior choir and the adult choir who featured a song composed by Mrs. Juanita Bohnett.

During the dinner hour Reverend Olds announced 91 new members would join the church on Sunday, February 6. This is an all time record for the number of new members to be taken into the church at one time.

After dinner children viewed movies while parents attended the annual business meeting.

THE ROY LYONS TO OBSERVE GOLDEN WEDDING ANNIVERSARY

To Mr. and Mrs. Roy Lyons, of 3 North Central Avenue, Tuesday, February 1, was a momentous day for it was the day they achieved a goal for which most of us hope. They celebrated their fiftieth anniversary of happy marriage. Because two of the five children live in the southern part of the State, the real family celebration will be Saturday and Sunday so that all may be present. Saturday will mark the first time since 1937 that all the children will be with their parents at the same time, and, according to Mrs. Lyons it will be her nicest gift.

On Saturday evening a dinner will be held at the home of one of the daughters, Mrs. John de Raad, on Victor Avenue, for twenty-four adults and six children. Sunday, "Open House" for their many friends will be held at the home of one of their sons, Thayer Lyons, at 119 Carlyn Avenue. At both affairs there will be the traditional tiered wedding cakes with golden anniversary decor carried out with yellow roses, daffodils and candles.

The Lyons were married February 1, 1905, in Onawa, Iowa. During the early years of their marriage, in 1907-08 to be exact, the Lyons lived on and managed a large farm for William Jennings Bryan who was Democratic Party candidate for President at that time.

From the very beginning Mrs. Lyons says, she and her husband planned on coming to California, but it was not until 1932 that they were able to make the trip directly to Campbell by car, complete with three children, a dog and a canary. The two oldest children were already here. In Campbell, Lyons went to work as a carpenter on the Hedegard subdivision back of Campbell High School. At the present time he works with his son Thayer who is a building contractor.

Helping their parents to celebrate their Golden Wedding Anniversary will be the daughters, Mrs. Frank Marinelli, Mrs. John deRaad and their families, of Campbell; sons, Thayer and family of Campbell; Richard and Dan with families from Los Angeles. Also to be present is Mrs. Lyons' only sister, Rose Terry of Arlington and several cousins from all over the state.

June Wedding Planned By Young Couple

A June wedding is being planned by Marlene Moore, daughter of Mr. and Mrs. Altan Keith of 586 Stonehurst Way, and Tom Becker.

son of Mr. and Mrs. Elwood Becker of 398 Cambrian Drive. The engagement of the young couple was formally announced by the bride's parents in November at a family dinner party but no definite date was set at that time.

Marlene is a graduate of Campbell High School and at present is attending San Jose Junior College where she is affiliated with Oma Ki Sorority. Tom is originally of Oak Park, Illinois; a graduate of Oak Park High School, and has served two years with the United States Marine Corps. At present he is employed by the San Jose Steel Company.

Fashion Show Is Planned By St. Lucy's Women

Plans for the forthcoming fashion show "Round the Clock", which is to be sponsored by the combined Women's Clubs and Mothers' Guild of St. Lucy's Parish, were discussed Tuesday morning at a meeting held in the home of Mrs. J. F. Levenberg.

Heading the list of those working on the show planned for March 17th are Mesdames Norman Corvello, Renzo Orzi, J. F. Levenberg, E. A. Grassheider and Elmer Jones.

TO RENO LIONS FLY

Forty members and guests of the Lion's Club chartered a plane last night and took off for an evening in Reno. The group left San Jose Airport at 6:00 p. m. an expected to be in Reno not later than 7:30 p. m. Upon their arrival they were to be given a buffet supper and turned loose until 12:00 a. m. when the plane is scheduled to return to San Jose, arriving at approximately 2:00 a. m.

The Lions are considering taking along their wives on their next trip if this one is successful.

The first Quaker settlements in America were at Salem and Burlington, New Jersey.

Girl Scout Leaders Map Plans For Year

Council officers were elected and installed, and goals set for the coming year when Girl Scout Leaders from Santa Clara Valley met Monday at the DeAnza Hotel for their annual luncheon. Guest speaker was Miss Miranda Coker of Freetown, Sierra Leone, West Africa, who described her experiences as a Ranger Scout and organizer of Girl Guide Companies in her country.

It was announced that Camp Skylark will be open for established camping this year, thanks to a great deal of work by Girl Scout fathers and mothers and money raised by the troops. It is hoped that the budget deficit may be made up by troop cookie sales.

Council members attending from the Campbell area were Mesdames Jerry Collins, Clifford Cunha, Ida Cutler, Clifton Franklin, Walter Gipe, W. H. Lawler, Paul Roberts, Ken Robison, Henry Stoner and Mr. and Mrs. R. D. Taintor.

Rosemary To Have Pie Sale

A film, "Freedom to Learn" will be shown at the next meeting of the Rosemary Home and School Club on Tuesday, February 9, at 7:30 p. m. in the multi-purpose room. Program chairmen are Mrs. Iola Miller and Mrs. Donna Newberg.

The chorus, under the direction of Bruce Stevenson and the orchestra, under the direction of Wallace Johnson, will provide entertainment for the evening.

A pie sale will be held by the mothers at the close of the meeting. Proceeds to go for school equipment. Mothers of second grade students will be hostesses. Refreshment chairmen are Mrs. Marg Hanson and Mrs. Margaret Willoughby.

Judge Walsh To Speak On Lincoln

Judge Martin Walsh is scheduled to speak on the "Life of Abraham Lincoln" on three different occasions and to three different clubs this week. His talks will touch on little known facts of the great emancipator and on a number of unknown things he accomplished.

Wednesday noon Judge Walsh will speak at the Cambrian Kiwanis Club which will meet in the Methodist Church; at 8:00 p. m. Thursday he will appear before the Coyote Grange, and Friday evening he will speak before the Mt. Hamilton Grange.

Debeaking Poultry Increases Weight

Field tests at the Alabama Polytechnic Institute show that the practice of debeaking day-old chicks will result in an 11.4 per cent increase in Grade A birds. The debeaking controls feather picking which makes the birds more attractive at the market place. The tests further show that there is little difference in growth rate as a result of debeaking but there is a definite improvement in feed conversion.

In seventeen days of travel from Germany to California by rail, water and air, Corporal Lynn Brown survived three major accidents.

"God was with me, I guess" he told his mother Mrs. Newton Brown of 100 N. Central avenue by telephone Sunday night on safe arrival at Fort Ord where he is waiting his discharge.

After leaving Goeppenheim, Germany, the train he was on caught fire; the boat on which he sailed from Leghorn, Italy, hit a heavy storm at sea which tore off the railings, damaged the rudder and lost the anchor causing considerable delay; the non-scheduled C-46 airliner operated by Peninsular Air Transport Service of Miami, left New Jersey and belly-landed in the darkness in a cornfield near Coal City, Illinois early Sunday morning when one of its two engines failed, so Cpl. Brown and 35 other service men were taken back to Chicago to resume the flight in another plane. Pilot Edward Kuhn said he brought the plane down on its belly and it skidded 400 feet before coming to a stop.

Attached to the signal corps, 9th infantry division, Cpl. Ardean Lynn Brown had previously attended Campbell Grammar School and Campbell High School, and had been employed by Western Electric Company division of the Pacific Telephone and Tel. Co. His sister, Mrs. Robert Carney resides at 295 Esther Avenue.

CHROMIUM ORE STUDY TONIGHT

The Santa Clara County Chapter of Western Mining Council is to hold its chrome meet this evening at 43 South 3rd street in San Jose at which time the various types of chromium ores will be displayed. There also will be a short session on uranium ores. A scintillator-Geiger counter and black light are to be available at the meeting. President of the group is Stephen Ridgely of Campbell.

Gettysburg Address Had A Dual Purpose

The Gettysburg address was aimed as much at the working man of Europe as at the domestic audience, in the opinion of Jay Monaghan, consultant to the library of the University of California's Santa Barbara College.

Monaghan, an authority on the life and times of Lincoln, suggests that a careful reading of the famous address shows that Lincoln was seeking the support of liberals abroad to prevent England or France from entering the Civil War on the side of the Southern aristocracy.

How Lincoln used this and other methods to neutralize possible European intervention during the Civil War will be discussed by the University Explorer in a broadcast Sunday, February 6, over the C. B. S. radio network.

Entitled "Diplomacy by Ear", the broadcast will be heard on KNX, Los Angeles (9:15 a. m.), and KCBS, San Francisco (10:30 a. m.).

Stanford May Give Hospital Site To The City Of Palo Alto

Stanford University is considering giving Palo Alto a million dollars worth of land for a new hospital site.

Stanford's board of trustees has indicated it will lease the city twenty-five acres of ground near the new medical center site for just enough money to pay the taxes. The site has not been pinpointed, but is in the vicinity of Stanford's administrative professional district.

Unofficial estimates of the value of this land are \$40,000 an acre, or a million dollars for twenty-five acres. Palo Alto has \$4,000,000 in bond money to spend on a new hospital.

Grange Receives Favorable Reply On Butano Forest

Moving pictures on how the Southern Pacific Railroad battled the worst snow storm in history in the High Sierras in the year 1951 were shown the Orchard City Grange at the last meeting on January 25th. The Lecturer, Mrs. Josephine Biller, introduced John Carrick and Jack Gibson, representatives of the Association of American Railways, prior to the regular business meeting. The pictures showed snow so high it buried telephone and telegraph wires with only the tops of the poles visible, and how these mountains of snow were moved with manpower and huge machinery in order to keep trains moving.

After opening the meeting, Herbert Shadle, master of the Grange, appointed many committees which are to function this year, and spoke of several letters received by the Grange thanking it for its interest in the Butano Forest as a park project and stating that things seemed to be moving along favorably. Harry Barnes, California State Grange executive committee member spoke on legislation saying there are over 6000 bills pending and told of the many difficulties confronting this body and of the many different ideas on water projects.

Visitors were Ed Thomas, master of Mt. Hamilton Grange who expressed hope that their new Grange hall will be finished in time to install new officers on the 4th of February, and Mrs. Thomas. Mr. and Mrs. Carl Rizer, past master, and past district deputy; and Mr. and Mrs. John Buck of Almaden Grange. Carl Rizer spoke briefly on the Grange, modern farming and rural communities.

Mrs. Sadie Proctor, home economic club chairman, announced the next meeting will be at the home of Mrs. Jenny Lytle at 100 Alice Way, on February 11th, and also said the club has many new projects in welfare work this year. District Deputy John Gordon spoke on Grange opening examination.

Mrs. Clara Kennedy Is Taken By Death

Funeral services were held Saturday at Darling, Fischer Garden Chapel in San Jose for Mrs. Clara Kennedy, 82, who died Thursday in a Campbell rest home. Interment was in Santa Clara City Cemetery.

Mrs. Kennedy was born in San Jose, a member of a pioneer San Jose family. Her father, Sylvester Graves, came to California in 1853 and developed a farm and orchard in the Moreland district.

She was the widow of William G. Kennedy, a retired Los Gatos grocer who died in 1952; and aunt to several nieces and nephews. She was a member of the Free Methodist Church of San Jose.

Mrs. CORWIN OLDS of North Second Street, her sister, Mrs. A. V. ROWLAND of Toronto, Canada, and Mrs. TINA TAYLOR of 353 N. Central, have all returned home after a ten day visit in Southern California to visit their respective brothers, Mrs. Olds and Mrs. Rowland visited their brother, Robert Anson of North Hollywood, toured Knox Berry Farm, and went as far south as Tit Juana, Mexico. Mrs. Taylor visited her brother, L. S. Estle of Los Angeles and was feted with a round of dinner parties and bridge. They all say they had a wonderful time.

Mr. and Mrs. M. C. Knopf of Dry Creek Road entertained friends Thursday evening with a dinner party. Guests were Mrs. Sidney B. Mitchell of Berkeley; Mr. and Mrs. Frank Crouch, of Oakland; and Mr. and Mrs. Dave LeCarri of Lafayette. The dinner followed a meeting of the Iris Society in which Crouch, who is regional vice president of region 14, was guest speaker, and LeCarri showed slides of Iris and Iris gardens.

Reverend and Mrs. CORWIN OLDS are rejoicing over the arrival on January 11, of a new granddaughter born to their son and daughter-in-law, Lt. and Mrs. Anson Olds. The new baby has been named Meredith Velma. At the present time Lt. Olds is stationed at the Navy Post Graduate School at Monterey.

CHRISTIAN SCIENCE

Man's universal right to spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Spirit" at Christian Science services Sunday. Scriptural selections to be read from the King James Version of the Bible will include the account of Philip's baptizing of the Ethiopian eunuch as recorded in Chapter 8 of The Acts of the Apostles. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among this read (241:27): "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual life and its demonstration." The Golden Text is from I Corinthians (12:13): "By one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free."

Veteran PT&T Installer Retires

A veteran telephone installer, Robert M. Brewer, retired this week after more than 20 years with Pacific Telephone in San Jose. Brewer, who lives with his wife at 545 North Second Street, has no particular plans for the future other than to take things easy, do a little gardening and perhaps take a trip to Canada this summer. A native of Cross Creek, New Brunswick, Canada, Brewer got his first telephone job in British Columbia in 1910. He spent three and a half years overseas with the Canadian army during World War I and then moved to California where he got a job stringing communications for the Northwestern Pacific Railroad from Sausalito to Willits. Brewer joined Pacific Telephone in 1924 as a lineman in San Francisco, and held company jobs in Oakland, Palo Alto and Santa Cruz before transferring to San Jose in 1934. The largest tributary of the Columbia River is the Snake, which rises in western Wyoming. The Joaquin Miller home in Oakland was built by the celebrated poet in 1887 and occupied by him until his death in 1913. The famous Comstock Lode in Nevada was discovered June 11, 1859.

MARKET PLEA FOR SEWER FEE CUT IS DENIED

A request by Dick Yee for a cut in fees for sewer connections at the new shopping center at Pamilar Avenue and the San Jose-Los Gatos road, just north of the Campbell city limits, was rejected by members of Sanitation District No. 4 directorate last Thursday.

Directors accepted a recommendation for denial from a committee composed of Stephen Goodman, district manager, Thelo Perrott, engineer, and Spencer Williams, counsel. The committee main tained:

1. It is not the district's fault

Yee must conform to State Highway specifications to construct a lateral sewer line under the San Jose-Los Gatos road to the center.

2. Buyers of property on the east side of the highway take into consideration when they purchase land that the trunk line is on the west side.

Directors also authorized Goodman to investigate a health plan for district employees similar to that recently adopted by the County.

The board gave informal approval of annexation to the district of 55 acres southeast of Saratoga Creek and Doyle road.

Pembroke College, in North Carolina, is the only school in the United States operated exclusively for Indians by state funds.

Campbell Country Women's Club To Observe 50th Anniversary Monday

Republican Ladies Hear Bruce Allen

Assemblyman Bruce Allen spoke on pending legislation when he appeared as guest speaker at yesterday's meeting of the Campbell Federation of Republican Women which was held in the home of Mrs. Lowell Bradford on Carolyn Avenue.

Of particular interest to the group was a bill Allen has introduced regarding the Tide Lands in Long Beach. Allen said the City of Long Beach has accumulated \$164,000,000.00 from these lands and does not quite know what to do with it. His bill would take the money from Long Beach and put it with State funds so that it could be used to the advantage of the entire State. Another matter Allen spoke of concerned the budget of San Jose State College. The present budget calls for a top enrollment of 7400 students; the new bill introduced would boost the ceiling to 8510 and is supported by the Department of Finance of California.

A bill sure to be of interest to local orchardists is a new one Allen has introduced which provides an assessment on orchards and farms which is based on its value of agriculture purposes and thus lower their tax rate.

A business meeting prior to Allen's talk was conducted by Mrs. Marie Coombs, newly installed president.

The Campbell Country Women's Club is to observe its 50th Anniversary next Monday, February 7 in a tea and social hour which is to follow a short business session. Judge Martin S. Walsh of Campbell is to present the club with the renewal of their incorporation papers, issued originally fifty years ago. Mrs. Ida Price of Dry Creek Road, first president of the club is to be present. Mrs. Price has been an active member of the club since its founding in January, 1905 by a small group of women who used their homes as a circuit of meeting places.

Articles of incorporation dated January 19, 1905 were signed by Mrs. Ida Price, Julia F. James, Lillie T. Shaw, Ellen R. Smith and Florence M. Plimpton. Objectives of the organization were: "To increase kindly fellowship, encourage high thought and free speech, foster worthy talent and aid in the growth of the Campbell free library".

The incorporation papers were

James Prouts 50th Wedding Anniversary

Mr. and Mrs. James H. Prout of 34 N. Central Avenue quietly observed their Golden Wedding Anniversary yesterday. They were married February 2, 1905 in New Almaden, California, and lived there until 1914 when they moved to the Hester district of San Jose because of the closing of the New Almaden Quicksilver mines. Mr. Prout said he started working at the mines when he was only twelve years of age and spent a total of twenty years there before they closed. Both he and Mrs. Prout relate incidents of the wild and woolly atmosphere of New Almaden when every Sunday morning another dead man would be found lying in the street. They also tell about the characters who liked to shoot up the Saturday night dances. These gangs on horseback would ride by the dance hall and shoot out the lights through the open windows while yelling for everybody to stand still so nobody would get hurt.

The Prouts moved to Campbell in 1921 and of these 34 years have lived 33 of them in their present home. They have raised seven children, five of their own and two nephews they adopted upon the death of Mrs. Prout's sister. One of the nephews, Lt. Wilbur K. Meeks, was killed during World War II in a plane crash. The children are Mrs. Leona Davis, of Campbell; James Prout Jr. of Bakersfield; Mrs. Anna De Selle, of San Jose; Walter J. Prout of Oregon; and Mrs. Marjorie Holtz of Los Gatos; and a nephew, Elwyn W. Meeks, of San Jose. They are the grandparents of sixteen grandchildren and one great grandchild.

Sunday Mr. and Mrs. Prout will be feted at a family dinner to be held at the home of Mr. and Mrs. Glen Holtz (Marjorie Prout) of Los Gatos. A reception in their honor is being planned by their children in the near future. Due to the illness of Mrs. Prout, it is necessary to postpone it for a short time. When the time is right the reception will be announced so that Mr. and Mrs. Prout may greet their many friends and neighbors.

When asked if they had any advice to give young people today on how to stay happily married, Mrs. Prout says, "Tell them to love each other and determine that they are going to make a success of their marriages. Love covers a multitude of faults."

Jack Huston was installed president of the Los Altos Kiwanis Club Saturday night by William Henley of Campbell, the lieutenant governor for the district.

Marine Pfc. Edward F. Horton, son of Mr. and Mrs. Floyd C. Norton of Route 1, Campbell, showers his "date" a Japanese orphan—with apples, oranges and candy at Camp McNair.

Horton is serving as a cannoner in the 12th Marines, artillery regiment of the 3rd Marine Division.

He and his fellow artillerymen entertained 100 children of Seibi Gakuen Orphanage in Yamanaka.

KIWANIS SCOUT TROOP ON HIKE

Kiwanis Troop 28 went on a hike Saturday in the Los Gatos hills, the purpose being to practice scouting skills and to get in shape for the snow trip February 12th and 13th.

Scouts on the hike were: Jack Guio, Ronnie Dodd, Clifton Reynolds, Laynie Waters, Dick Burns, Royal Page, Ray Morton, Gary Hayes, Allen Johnson, Bill Smart, Jack Johnson, Jack Merrill, Jerry Hyde, Bill Campbell, Dennis Welch, Fred Andres.

Explorers Gene Andres and Art Hill helped supervise the activities.

The scouts hiked into the hills east of the Boy Scout Camp Stewart. Some of them cooked their lunch by the "foil method".

A course of orientation was laid out to get experience in compass work. Wide open games were played to use observation, tracking and trailing.

The adult leaders were Ken Robinson, R. W. Page and Merle Dodd.

High School PTA To Discuss Students' Futures

"High Schools Help Students Plan Their Futures" will be the theme of the general meeting of the Campbell High School P. T. A. which will meet Wednesday, February 9, at 7:30 p. m. in the school cafeteria. Mrs. Laurance Hill will be guest speaker.

After the meeting parents of 8th graders and freshmen of Camden High School will meet to discuss the kind of parent and teacher organization they want at the new high school. It is hoped there will be a large turn-out of parents for both this and the general meeting.

The State of California paid bounties on 10,558 mountain lions from 1907 to 1950.
